

SHRI SAI INSTITUTE OF NURSING & MEDICAL SCIENCE, GADCHILOLI

REPORT ON

SWAACHA BHARAT ABHIYAN

Introduction:

Mahatma Gandhi said "Sanitation is more important than Independence". He made cleanliness and sanitation an integral part of the Gandhian way of living. His dream was total sanitation for all.

The concept of Swaacha Bharat is to pave access for every person to sanitation facilities including toilets, solid and liquid waste disposal systems, village cleanliness and safe and adequate drinking water supply. We have to achieve this by 2024 as a befitting tribute to father of the Nation Mahatma Gandhi on his birth anniversary

Behalf of that an initiation of new media wing was created in the name of CANVAS by Ministry of Information and Board Costing, Government of India.
